DATA PROTECTION DECLARATION: REGISTRATION FOR AN EVENT OF THE EFRC e.V.

1. Purpose and Data Collection Authority

The data collected in this form will be used and processed for the registration for the 14th EFRC Conference in Hamburg, October 14-16, 2025, held by the European Forum for Reciprocating Compressors e.V. (EFRC).

We collect data in accordance with General Data Protection Regulation (GDPR) Article 6 Paragraph 1(a) in conjunction with § 22 of the Law regarding the copyright for works of graphic art and photography (KunstUrhG).

2. Data Processing

The data will be processed electronically by the staff of the EFRC, particular:

- in order to communicate with the participants of the event
- to be able to issue an invoice
- to use them in combination with photos and videos depicting the person
- to inform you on similar future events organised by EFRC.

If the event is held virtually, you consent to the data processing of the video software being used. Your personal data will not be used for other purposes and will not be shared with external parties.

3. Transfer of rights and use of pictures and videos

Please note that representatives of the European Forum for Reciprocating Compressors e.V. will take pictures and videos during the conference.

By agreeing with this document, you consent to EFRC publishing your pictures and video recordings set out above in the following manner:

- EFRC website
- Social networks and Youtube
- Flyer and brochures
- Mailings
- Publications in business related magazines

The material will be used for:

- internal distribution to the participants and within the EFRC as well as
- external publication for the purpose of advertisement.

For the publication of the photos for reporting and advertisement of the EFRC Conference, the right of use to the own picture is transferred revocably to the European Forum for Reciprocating Compressors e.V, c/o Technische Universität Dresden, 01062 Dresden, Germany.

The naming of the photographed person is up to the publishing party. Royalties for the use are not provided. There are no other verbal agreements.

To make use of your right,

- a) not to be photographed or filmed or
- b) not to have a photograph or video published
- c) and/or not to have your name used,

please notify the organisers of the EFRC in writing under the following e-mail address contact@recip.org or on-site during the registration. If applicable you may also inform a photographer directly that you do not wish to be photographed or filmed.

By attending conference of EFRC e.V. without notification as described above or without notification to the photographer on site, you agree that photos/videos of you are recorded and published in the media and the sense as mentioned above.

4. Voluntariness and Revocation

The registration, the associated disclosure of personal data and the transfer of rights are voluntary. This consent can be denied or revoked. Not-providing or withdrawing your consent will not result in any consequences under labor law or other disadvantages. EFRC will delete your data and or pictures/videos with your person according your choice. The revocation takes effect as soon as the declaration of revocation is received in writing either by post to the above mentioned address of the EFRC or to the email address: contact@recip.org. The revocation of these rights does not affect already published material only to the extent that EFRC cannot be reasonably expected, in terms of economic efficiency and/or practicality, to promptly delete the data.

5. Data Transmission

A transmission of the data to third parties does not take place, unless law prescribes it.

6. Storage Period

The storage period of your data is limited to 5 years.

7. Information Right

I am aware that I can request information at any time about the data collected and processed about me and the possible recipients of this data to whom it has been transmitted, and that I am entitled to a reply within one month of receipt of the request for information.

8. Data Protection – Contact

I can contact the EFRC office in Dresden under the contact data above for data protection questions at any time.
